SCIENTIFIC GAMES

GAMING & SPORTS BETTING

MARK MORGAN | 612-704-9219 |
mark.morgan@scientificgames.com | www.scientificgames.com

Scientific Games is an innovator of creative content and technology, setting new standards in the gaming industry, and leading the way in the design, manufacturing, and distribution of premium gaming content and machines. This innovation and leadership is based on extensive industry knowledge and proven market research methods that result in a deep understanding of player and casino demand and preferences.

Scientific Games' leading-edge family of gaming cabinets are a result of this research and innovation. The cabinets feature the latest technology, are engineered with the operator in mind, and take player attraction and engagement to new levels.

One of the key reasons why Scientific Games' cabinets are so successful is their broad cross-brand versatility, capable of supporting multiple content streams seamlessly. Because of this, operators have full access to one of the gaming world's largest game libraries featuring titles from Bally, WMS and Shuffle Master that showcase some of the world's hottest entertainment brands.

Scientific Games' constellation of innovative slot cabinets has everything you need to light up your gaming operation and they will stand out on any casino floor, even among the brightest stars.

SG Digital, a combination of NYX and SGI, are a trusted partner to the world's most powerful iGaming, iLottery and Sports Betting brands. From our nine studios and broad partner network of third party suppliers, we offer customers the widest portfolio of content available, with access to over 2000 game titles, across our platforms.
